Welcome to Barringer High School

Blue Bear Nation!

Class of **2017**

Congratulations!

It is your senior year, and my third year
as your principal.

We have grown immensely since our first encounter in
September 2014 and I am extremely proud of you.

Each day that passes pushes you one step closer to
adulthood. Use the lessons that you've learned from life
and school to avoid past mistakes and create a life of
purpose and greatness.

This is a time of great divide in our country.

The background noise can be discouraging, but there is
always promise in struggle. We are thirsty for young new
leaders and there are many among you. Take time to
understand your purpose and use your gift to better the
lives of yourselves and others around you.

As I have encouraged you daily, cherish the life you
have been given, be a good person, and continue to live
the C.O.R.E. - Character, Community Leadership,
College & Career Readiness, and Self-Awareness. I am
proud to be your principal and you will truly be missed.
As you leave the nest, our daily routines will be altered
but Barringer STEAM is your forever home.

Congratulations!"

All the best to you,

Angela N. Mincy, *Principal*

Querida clase de 2017,

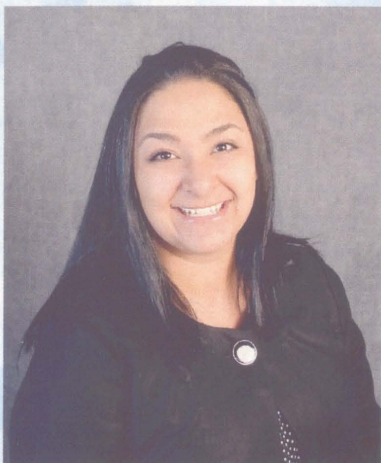

Nosotros apreciamos el haber tenido la oportunidad de trabajar con todos ustedes. Los recuerdos que nos han dejado estarán con nosotros por siempre y ha sido un placer trabajar y verlos crecer. Para ustedes no es el final de un viaje duro, sino el comienzo de un viaje de éxito. Estamos seguros de que este será sólo el primero de muchos momentos de orgullo y éxito, porque cada uno de ustedes representa infinitas posibilidades. A medida que se embarquen en futuros proyectos, recuerden de enfrentar el futuro con esperanza y determinación y “Vivir el C.O.R.E”. Nunca dejen de trabajar para mejorar ustedes mismo, la familia y sus situaciones. Nunca se conformen con nada menos que lo mejor porque cada uno de ustedes están destinados a la grandeza. Aunque los extrañaremos, deseamos que avancen a la nueva etapa de sus vidas. Les dejamos con esta cita, “Es bueno llegar al final del camino pero lo más importante es el camino recorrido.”

We appreciate having had the opportunity to work with you all. The memories you have left us are with us forever, and it has been a pleasure working with you and watching you grow. We are certain that this will be only the first of many proud and successful moments for you because each of you embody infinite possibilities. As you embark on future endeavors, remember to face the future with hope and determination and to "Live the C.O.R.E." Never stop working towards improving yourselves, your families, and your situations. Never settle for anything less than the best because each of you are bound for greatness. Although we will miss you, we are looking forward to moving you on to the new phase of your lives. THE FOUNDING OF
THE AMERICAN
CHEMICAL SOCIETY
New York University
April 6, 1876
On this site, 35 chemists formed the American Chemical Society,
intending to stimulate original research, awaken and develop
talent throughout the United States, provide fellowship, and
ensure a better appreciation of the science by the general public.
The Society's first president, New York University Professor
John W. Draper, was noted for his pioneering work in photogra-
phy and photochemistry, as well as his writings in history and
education. In his inaugural address, Draper challenged his
chemical colleagues to "deliver unflinchingly to others the truths
that Nature has delivered to us." In the 125 years since its
founding, the Society has grown to more than 163,000 members.

Dear Class of 2017,

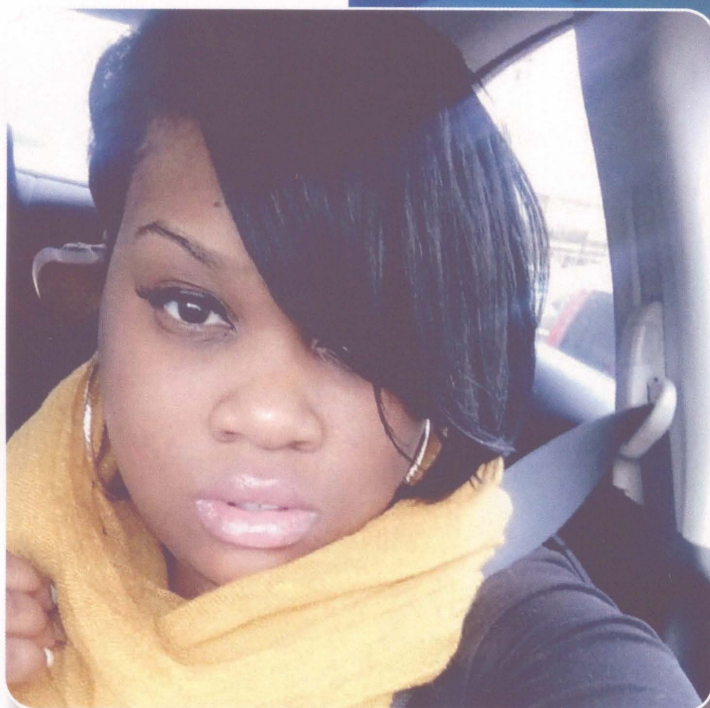

I write this letter to you with great hope and belief that we as a school community have helped to cultivate prepared, honest and competitive society contributors. We have walked a sometimes exhilarating and other times exhausting journey together this year. Through it all, I wouldn't change a thing. My expectations for you are exceptional because I believe that YOU are exceptional! I encourage you to live life lighthearted but never recklessly. Let this accomplishment of a High School Diploma be the commencement of your educational journey and not the culmination. May you go on to enter military branches, trade and vocational schools, two year, four year, graduate and doctoral studies. I wish you success, peace and self-assurance for your life journey.

-Nelson Mandela

Ms. Tammy Davis

I saw the future when you walked through the doors at Summer Bridge. Your eyes were full of hope and prosperity. I know that you will be great leaders! Always look to the future in your butterfly dreams!

First and foremost, a huge congratulations to the graduating class of 2017! Hopefully by now you have come to appreciate the push for success. Even if you don't right now, we can guarantee that you will in the future. Though our jobs are to teach and assist you all, there is no doubt you have taught us many things and assisted us in many ways. You've taught us that no two students are the same, no day can ever be completely dull at Barringer and no obstacle is ever too large to overcome! Despite day to day frustrations you all at one point or another have brightened our days, put a smile on our faces or just reminded us why we love our jobs. And for that, our beloved class of 2017, we thank you. We hope that we have created as many fond memories for you as you all have for us. You will always have a special place not only here at Barringer STEAM, but also in our hearts forever more. Thank you for allowing us to be your Senior Advisors.

With Love,

Ms. Tammy Davis & Ms. Nikeema Tucker
